

I am writing to comment on how K-LOVE radio serves me as a resident of El Paso. It is very important to me to be able to hear this Christian radio station as I drive to and from work each day, and as I travel around El Paso at all times. I am so grateful that I have the opportunity to choose this radio station over other stations. I think it would be detrimental to the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming. This community needs to have the opportunity to choose K-LOVE as it provides quality family-friendly broadcasting which is a much-needed choice in El Paso. It is in the public interest to keep K-LOVE radio on the airwaves in El Paso to provide wholesome, positive programs that encourage and impact listeners here and around the country. Please do not replace K-LOVE with an LPFM broadcaster. I would truly be devastated as would many other people in this area. Thank you for your serious consideration of my request.
